# The Best of the Kingston Trio

From the beginning, the Kingston Trio's imprint on a recording has guaranteed it would be a winner. Success has been just a question of degree: would it be a hit, a great hit, or a blockbuster? A glance at the adjacent titles will tell every listener all he wishes to know about the recordings in this collection. Here are the biggest of their big ones—volume two of the Trio's very best. Sung, of course, with the irresistible verve, flair and spirit with which the Kingston Trio have given lusty new life to all of folk music!
